Declaration of Conformity

We Mitsubishi Electric Corporation Nakatsugawa Works
Address 1-3 Komaba-cyo, Nakatsugawa-shi Gifu-ken, Japan
declare under sole responsibility, that the products
Name Photovoltaic Inverter
Models PV-PNS03ATL-FR
PV-PNS04ATL-FR
PV-PNS06ATL-FR

fulfills the requirements of the standard
EN50178
EN61000-6-2
EN61000-6-3
EN61000-3-2
EN61000-3-3

and correspond to the regulations of the EC-Directives
2006/95/ EC: Low Voltage Directive
2004/108/ EC: Electromagnetic compatibility Directive
93/68/ EEC: CE marking Directive

Equivalence between French models and German models are

		Model name for French market	Model name for German market
Model		PV-PNS03ATL-FR	PV-PNS03ATL-GER
		PV-PNS04ATL-FR	PV-PNS04ATL-GER
		PV-PNS06ATL-FR	PV-PNS06ATL-GER
Equivalence	Languages on LCD display	French	German
	Operation lower limit of grid frequency	49,8Hz	47,5 Hz
	Others	Same structure, specifications, and functions. And fulfills the requirements of the standard VDE 0126-1-1.
